

Homestay Accommodation

Most participants stay with a host family for the duration of their course. The homestay placements are organised by Languages United through Merganser. Languages United have access to a wide network of hosts within Bath and surrounding areas.

Staying with a host family is a great way to practice and improve your spoken English, as well as learning about English culture and customs first-hand.

The homestay accommodation is half-board (breakfast and an evening meal will be provided).

All host families will provide you with

- A clean tidy room with a desk or table (or a room providing same), adequate storage for clothes and a comfortable bed with a weekly change of bed linen.
- Access to a washing machine.
- Bathroom facilities including towels (note: bathroom may be shared).
- Sufficient light and heat.

Homestay accommodation may be either in central Bath within walking distance of the course location or a short bus journey away. We are unable to cover bus fares if you are allocated a placement outside of the city centre; you should ensure that your grant application includes an allowance for this as part of the subsistence costs.

If you are highly allergic to pets, please ensure you tell us. Everything possible is done to ensure your needs are met but we cannot guarantee to meet all specific requirements.

The cost of homestay accommodation is €395.00 for 2 weeks. We will charge this cost on your invoice.
